

Investors Who Are in Doubt

If you have funds awaiting investment or hold securities the status of which is uncertain, our investment letter No. 252 should prove of value. It describes a method of investing which is very popular, not only with a large number of private investors, but also with many banks and institutions. If followed, this plan will enable the investor to obtain in a conservative way maximum returns on his money.

We shall be glad to send Letter No. 252 to those interested.
